

Pass on the Flame

Remembering Sion Community with a gift in your will

Thank you for thinking of including Sion Community in your will, we are very grateful for your kindness and generosity by considering supporting us in this way.

Sion Catholic Community for Evangelism was established in 1984 with a mission to proclaim the Good News of Jesus Christ, to bring the full experience of God's love and compassion to individuals and communities, and to enable them to pass this on to others. Our aim is to help people of all ages to discover, strengthen and deepen their faith as individuals and as members of the Church community.

Our work follows many paths including youth and family ministry and school and parish mission. We also offer a range of retreats and courses at our centre in Brentwood. However, all of this is only achievable through the prayers and generosity of our supporters, such as you.

Why remember Sion Community in your will?

Remembering us in your will, will allow us to continue our work in a sustainable manner. Your gift can help us to 'Fan the Flame' and spark fires of evangelisation. This legacy of faith and hope will continue for many years and impact generations to come.

If you would like to leave a faith legacy and gift to Sion Community in your will, below are some points that may be helpful:

Do you already have a will? A simple codicil (additional statement) can be made without having to change your will at all. This would need to be signed and witnessed. You need to state what you would like to leave as a gift and to whom for example: "I, *your name*, give £XXX or X% of my estate to Sion Catholic Community for Evangelism, Sawyers Hall Lane, Brentwood CM15 9BX". Your signature would then need to be witnessed by two people who are not listed as guardians, beneficiaries or executors and of course, dated.

You have not written your will yet? If you would like leave a gift in favour of Sion Community in your will, simply make this a clause in the document.

Thank you so much for your generosity, kindness and support which will help us to continue our work of evangelisation.

We would very much like to personally thank you and to remember you in our prayers.

It would be helpful if you could let us know what you have chosen to do:
